

HAVASU ART GUILD

SCHOLARSHIP APPLICATION FORM

The Guild awards as part of its community service one or more scholarship(s) to students of Lake Havasu High School and/or Community College who are enrolled at an accredited University or Art School as an art major.

The Committee recommends that any student who will be applying for a scholarship should prepare a portfolio of their best work. This can be started as early as the junior year of high school and need not be limited to class projects. Interviews will be arranged after all applications have been received. The portfolio of actual work must be brought to the interview.

Judging of the portfolio is based on the contents which involve creativity, variety and use of media, treatment of subject matter and non-school art work. Only photography majors may submit photographs.

Application information must be completed, including the personal interest and goals section. At the time of the interview, please bring a copy of your grades and two (2) letters of recommendation. One letter must be from a non-school reference.
